

Governance Document

Purpose

1. This report presents the Governance Document for Healthwatch Cambridgeshire and Peterborough.

Key issues

2. This Governance Document gives the detail of the governance arrangements for the organisation, and overview of which are given in the Articles of Association.
3. It was agreed in principal at the March meeting of the Health Cambridgeshire Board of Directors and further discussed at the Healthwatch Cambridgeshire and Peterborough Board of Directors meeting in May.
4. The document has been shared with commissioners and minor amendments made in light of comments received.
5. This final version now requires approval in public.

Action required by the Board

6. The Board is asked to:
 - Approve the Governance Document
