

Reviewed Policies

Purpose

1. This report sets out the policies that are to be revised as part of the organisation's cyclical policy review.

Key issues

2. The following policies have been revised to take account of changing requirements and working practice:
 - Health & Safety Overview: inclusion of mandatory staff training
 - Enter & View: inclusion of Memorandum of Understanding to inform partnership working
 - Volunteer Involvement Policy: inclusion of a Volunteering Exit Process
3. The full set of Healthwatch Cambridgeshire policies are available on the website.

Action required by the Board

4. The Board is asked to:
 - Approve the revised policies.
