

Policy Review

Purpose

1. This report sets out the policies that are to be revised as part of the organisation's cyclical policy review.

Key issues

2. The following policies have been revised to take account of changing requirements and working practice:
 - Governance (updated NED list)
 - Reserves (minimum reserve level revised in line with current spend)
3. The Escalation Policy¹ is assessed as not needing revision.
4. The full set of Healthwatch Cambridgeshire policies are available on the website.

Action required by the Board

5. The Board is asked to:
 - Approve the revised policies.
