## Volunteer Involvement Policy

### 1. Introduction

Healthwatch Cambridgeshire and Peterborough is local champion for people using health and social care services. We work to ensure that local people's voices are heard in making important decisions about local NHS, social care and public health services.

At Healthwatch Cambridgeshire and Peterborough we welcome volunteers to help us undertake our work and we will aim to involve a diverse range of volunteers from across the county, who are reflective of the local community.

Healthwatch Cambridgeshire and Peterborough will follow good practice volunteer management principles, taking guidance from the National Council for Voluntary Organisations (NCVO) and working closely with the volunteer support organisations in Cambridgeshire and Peterborough.

### 2. Aims of the Volunteering Policy

The purpose of this policy is to:

- Set out the principles and working practices for volunteer involvement in Healthwatch Cambridgeshire and Peterborough and ensure that best practice is followed.
- Provide a reference document which will cover all aspects of Healthwatch Cambridgeshire and Peterborough's relationship with volunteers for everyone who is concerned with recruiting, supporting, developing and managing volunteers and their expectations and promoting voluntary activities.
- Ensure that volunteer involvement in Healthwatch Cambridgeshire and Peterborough is understood and accepted by paid staff, volunteers and Board members and there is clarity about why we involve volunteers.

### 3. What is volunteering?

Volunteering is the commitment of time and energy freely given for the benefit of the community, and can take many forms. It is undertaken by choice, without concern for financial gain.

### 4. Why Healthwatch Cambridgeshire and Peterborough involves volunteers

Volunteers bring a variety of skills and a fresh perspective. They can offer time and passion to a particular project, adding value to our work and supporting our sustainability.

Volunteers have knowledge of their local communities; by involving volunteers, Healthwatch Cambridgeshire and Peterborough are able to build stronger links with the local community.

Volunteers act as ambassadors, promoting Healthwatch Cambridgeshire and Peterborough's activities and services. This is a unique role, different to that of paid workers, who they do not replace.

Healthwatch Cambridgeshire and Peterborough expect that staff at all levels will work positively with volunteers and, where appropriate, will actively seek to involve them in their work.

## 5. Who can volunteer?

Healthwatch Cambridgeshire and Peterborough has a responsibility to treat all volunteers equally and fairly.

Healthwatch Cambridgeshire and Peterborough will recruit, support and manage volunteers in line with our Equality & Diversity Policy, to ensure that individuals will not be discriminated against on any grounds including age, disability, race, sex, religion or cultural beliefs, gender reassignment, marital status and civil partnership, sexual orientation, pregnancy and maternity.

Healthwatch Cambridgeshire and Peterborough recognises barriers to volunteering for individuals from different sections of the community; social, physical and psychological, and we will monitor our volunteer involvement practices continuously, to ensure that we are inclusive of all sections of the community.

- **Young volunteers** - Healthwatch Cambridgeshire and Peterborough will seek to involve children & young people as volunteers, ensuring that we have appropriate safeguarding measures in place as per our Children's Safeguarding Policy and seek parental permission for all volunteers under 16 years.
- **Disabled volunteers** - Healthwatch Cambridgeshire and Peterborough will work positively with disabled volunteers and will ask all potential volunteers if they require any adjustments to support them in their volunteering role as part of the application process. Healthwatch Cambridgeshire and Peterborough will make reasonable adjustments to volunteering roles and available support, within currently available resources.

- **Volunteers in receipt of benefits** - Healthwatch Cambridgeshire and Peterborough will promote volunteering to individuals on means tested benefits and provide a copy of the Department of Work & Pensions guide [“volunteering while getting benefits”](#) to any volunteer or potential volunteer who informs us that they are in receipt of means tested benefits.
- Healthwatch Cambridgeshire and Peterborough is aware that there may be requirements for volunteers to be available for work; to be free to go to an interview with 48 hours’ notice, and to be able to start work within one week of being given notice.
- **Volunteers with minor or spent convictions.** Healthwatch Cambridgeshire and Peterborough recognises that many individuals have criminal records with spent or minor convictions and are reluctant to apply for voluntary work where this would involve disclosure of their record. Healthwatch Cambridgeshire and Peterborough welcomes applicants from individuals who may have minor or spent convictions and will promote this as part of the volunteer application process.
- **Volunteers from overseas** - Healthwatch Cambridgeshire and Peterborough welcomes volunteers from overseas who have the legal right to undertake voluntary work as part of their immigration status in the UK.
- Healthwatch Cambridgeshire and Peterborough can provide potential overseas volunteers with a copy of the NCVO Volunteering Information Sheet [“Accepting Volunteers from outside the UK”](#), Volunteering England 2012 for guidance on whether they are eligible to volunteer but this is not a substitute for immigration or legal advice.
- Healthwatch Cambridgeshire and Peterborough recommends that individuals check their right to volunteer with the [UK Border Agency](#), in order not to jeopardise their immigration status.

Healthwatch Cambridgeshire and Peterborough recognises that not all individuals will have the skills & experience required, nor be eligible for every volunteering role. In these instances, and where we have no other suitable opportunities available, we will signpost individuals to their local volunteer support organisation for additional support.

## 6. What can people get from volunteering with us?

Healthwatch Cambridgeshire and Peterborough recognises that volunteering is a two way process; with volunteers giving their time to help and in return gaining some benefits for themselves.

Volunteering with Healthwatch Cambridgeshire and Peterborough can provide new challenges and help people learn new skills.

Volunteering with Healthwatch Cambridgeshire and Peterborough can be a stepping stone into employment or training opportunities. Healthwatch Cambridgeshire and Peterborough will support volunteers on this journey by providing references to those who have completed a volunteering project or volunteered for 20 hours or more.

Volunteering can provide an opportunity to meet new people and be involved with something personally rewarding.

## **7. Planning for Volunteer involvement**

Healthwatch Cambridgeshire and Peterborough recognises the importance of planning volunteer involvement as an integral part of the development of operational activities; acknowledging the requisite investment of staff time and other resources needed.

Healthwatch Cambridgeshire and Peterborough will seek to develop a range of imaginative volunteering opportunities, both short and long term, and will regularly review these to ensure that it is involving a diverse range of volunteers from across the county, who are reflective of the local community.

Healthwatch Cambridgeshire and Peterborough will develop a role description for each volunteering opportunity using a standardised format, see Appendix 1.

Healthwatch Cambridgeshire and Peterborough will ensure that volunteers are insured for any planned volunteering activities and will risk assess each role, to plan what training, support and recruitment methodology is required.

Healthwatch Cambridgeshire and Peterborough will budget to ensure that volunteers receive training, support and out of pocket expenses in line with section 10 of this policy.

## **8. Recruitment and selection**

Healthwatch Cambridgeshire and Peterborough will use an open and fair recruitment process for each volunteering role, which will be outlined to potential volunteers in advance.

Healthwatch Cambridgeshire and Peterborough will promote volunteering opportunities through a variety of advertising methods, to ensure that the opportunity is promoted to a wide range of potential volunteers.

Healthwatch Cambridgeshire and Peterborough will only ask for the information needed to ensure that someone is suitable for the role they have applied for. All information given by volunteer applicants will be treated confidentially in line with the Confidentiality Policy.

Healthwatch Cambridgeshire and Peterborough will make reasonable adjustments where possible, to meet the access needs of potential volunteers.

Volunteers will be selected and screened for suitability through one or more of the following methods, dependent on the role:

- Completed application form for all volunteer roles.
- Informal or formal interview, depending on the requirements of the volunteer role.
- References - all volunteers are required to give the names of 2 people who can be approached for personal references. Acceptable referees should have known the potential volunteer for at least 1 year and cannot include family members.
- If the role involves regulated activities in relation to Vulnerable Adults or Children, Healthwatch Cambridgeshire and Peterborough will ensure that the volunteer has a Disclosure and Baring Service check, in line with our Safeguarding Adults and Children's Safeguarding Policies.

If an applicant is not suited to the volunteering role Healthwatch Cambridgeshire and Peterborough will explain the reasons to the applicant and direct them to other volunteering opportunities. Healthwatch Cambridgeshire and Peterborough will make decisions regarding suitability in line with this Policy and organisation's values and strategic direction.

## **9. Induction, training and ongoing support**

Healthwatch Cambridgeshire and Peterborough will provide an induction and appropriate ongoing training for volunteers, relative to their volunteering role, so that they are prepared for the tasks allocated to them, e.g. safeguarding, equality and diversity training, confidentiality, health and safety, etc.

A volunteer handbook will be provided for new volunteers as part of their induction training, which will include information relative to their volunteering role, e.g. volunteer role description, staff contact details, safeguarding contact information, information on claiming volunteer expenses, training log and other useful information.

All volunteers will have a named individual as their main point of contact and will be provided with appropriate support; this could be through one to ones with a staff member or peer support, as appropriate to the role. This will provide volunteers with the opportunity to feedback on the progress of their volunteering role, discuss any personal development needs appropriate to their volunteering or talk about any problems. Volunteers will be offered the opportunity of an annual development review meeting.

Healthwatch Cambridgeshire and Peterborough will seek to involve volunteers as partners in project development decision making processes, for example through project meetings.

Healthwatch Cambridgeshire and Peterborough will ensure that volunteers will receive appropriate recognition for their contribution to Healthwatch Cambridgeshire and Peterborough in the form of thanks for volunteering activities undertaken; this may include volunteer certificates, low value items or 'thank you' activities.

## **10. Personal Safety**

All volunteers are expected to follow safe practice guidelines, as described in the volunteer handbook and lone working policy.

Volunteers will not be asked to attend meetings at the home of a member of staff or another volunteer, nor will members of staff attend meetings at a volunteer's home

Members of staff are not to provide transportation for volunteers to events or meetings. Staff will not arrange car sharing for volunteers. Volunteers are not obliged to provide transportation for other volunteers.

Staff will carry out risk assessments as necessary for events that volunteers will be supporting.

## **11. Volunteer Expenses**

As part of its commitment to ensuring equity of access to volunteering opportunities, Healthwatch Cambridgeshire and Peterborough is committed to paying pre-agreed out of pocket expenses to volunteers, that are incurred solely in undertaking the volunteering role.

Volunteer expense claims will only be paid for actual expenses incurred as evidenced by receipts, using a standard claim form. Expenses will be reimbursed to volunteers as soon as possible, not in excess of 15 days by direct payment to the bank account held on record.

Healthwatch Cambridgeshire and Peterborough will ask volunteers to choose the most cost effective method of travelling to and from / or parking at any volunteering activities, taking advantage of concessionary travel rates where applicable.

Healthwatch Cambridgeshire and Peterborough will ask volunteers who use their own motor vehicle for travel relating to their volunteering if they are taxed, insured, have an MOT (if appropriate) and that they have informed their insurance company of their volunteer driving, before any expense claims are paid.

Healthwatch Cambridgeshire and Peterborough reserves the right to check that this documentation is in place before payment of expense claims is made. Healthwatch Cambridgeshire and Peterborough can provide a template letter to volunteers for their insurance companies if required.

**Mileage rates for volunteers** will be paid at a rate approved by the Board and not in excess of [HM Revenue & Customs guidelines](#), to ensure that volunteers do not receive taxable profit from their volunteering activities. These rates will be reviewed annually in March, to ensure that they do not exceed HM Revenue & Customs approved rates.

- **Motor vehicle:** volunteers can claim 45p per mile on the first 10,000 miles in the tax year (1<sup>st</sup> April - 31<sup>st</sup> March) and 25p per mile for any mileage over that amount. Please collect VAT receipts for petrol to support mileage claims.

**Caring costs:** if it is essential for a volunteer to incur additional carer costs in order to volunteer, then an evidenced claim can be submitted on the following conditions: care is for a child or children under 16 years of age; or where there is a proven medical or social need. A claim is not payable if care is provided by a member of the volunteer's household; or where "no cost" care is provided by another individual, body or organisation. Care costs must be discussed and agreed in advance.

**Pre-approved incidental expenses** may be reclaimed where solely relevant to the business of Healthwatch Cambridgeshire and Peterborough.

## 12. Dealing with problems

Healthwatch Cambridgeshire and Peterborough aims to make volunteering a positive experience for volunteers and the organisation, but recognises that sometimes, for all sorts of reasons, problems can occur.
