

Change at our Local Authorities

Purpose

1. This report introduces Oliver Hayward Assistant Director, People Commissioning and Commercial Operations, from Peterborough City Council and Cambridgeshire County Council.

Key issues

2. Peterborough City Council and Cambridgeshire County Council share a CEO and senior management team. Increasingly more functions are being delivered across the two areas.
3. An Integrated Commissioning Board has been established, which includes the CCG, with more contracts, including that of Healthwatch Cambridgeshire and Peterborough being commissioned across the two areas.
4. This presentation sets out detail about how the two Local Authorities plan to work together and their approaches to engaging with local people.

Action required by the Board

5. The Board is asked to:
 - Note the presentation and discuss engagement in this work and any implications for health and social care services.
