

Cambridgeshire and Peterborough Sustainability and Transformation Partnership

Purpose

1. This report introduces Dr Mike More, Chairman of Cambridge University Hospitals and now also Chairman of the Cambridgeshire and Peterborough Sustainability and Transformation Partnership (STP).

Key issues

2. Dr More has recently taken the Chair of the STP and will speak to the meeting about the direction of the STP and plans for the future.
3. Healthwatch Cambridgeshire and Peterborough is working closely with the groups and partnerships involved in service change and is keen to promote meaningful patient and public engagement.

Action required by the Board

4. The Board is asked to:
 - Note the presentation and discuss opportunities to support the local STP.
